THE MANITOBA FOUNDATION ANNUAL REPORT
(For the Year ended March 31, 2001)

The Manitoba Foundation was established under The Manitoba Foundation Act in 1993, for the purpose of receiving gifts of real and personal property, including money, which it can transfer in support of programs and activities of recipient designated institutions. It has reported on its activities in annual reports every year since 1993-1994 fiscal year.

Since February 1997, when a Federal budget announcement proposed significant changes to income tax rules for charitable donations, the Manitoba Foundation has had no "gifting activity" – it has received no gifts. As reported in the 1999-2000 Annual Report, the Foundation had insignificant administrative transactions, and was essentially dormant.

In 2000-2001, no gifts were received by the Foundation and it remains dormant. There remains a fund balance of $11.

FUND PROFILE

The Manitoba Foundation was established under the authority of The Manitoba Foundation Act receiving Royal Assent on July 27, 1993 and was proclaimed in force as of November 22, 1993. The purpose of The Manitoba Foundation is to receive gifts of real and personal property, including money; and to make grants of money and transfers of real and personal property to support the programs and activities of recipient designated institutions. A designated institution is an educational institution, a hospital institution, or a museum institution within the meaning of The Manitoba Foundation Act.

The Foundation has been acknowledged by Canada Customs and Revenue Agency as a Crown agency, able to accept qualifying donations for which no net income limit will apply to donors for income tax purposes. The Foundation is intended to act as a conduit; it allows donors to make donations through the Foundation for the benefit of designated universities, colleges, hospitals and museums in Manitoba. The Foundation will transfer donations at the Board's direction only to institutions which are registered charities and designated by the Lieutenant Governor in Council in the Regulations under the Act.

The day-to-day operations of the Foundation will be limited to receiving donations, issuing receipts, temporarily investing funds received and transferring donations to designated institutions at the Board's direction; most of these operations will be performed by the Manitoba Department of Finance.

The Foundation is required to recover its administrative costs from income received. The Foundation withholds from each gift of money the lesser of (a) $500 and (b) 1% of the amount of the gift to cover these costs. Further, for gifts other than money, the Foundation may request the donor and/or designated institution to provide cash resources in an amount equal to the lesser of (a) $500 and (b) 1% of the amount of the gift for administrative purposes. After the payment of administrative expenses, the Foundation intends to transfer any amounts remaining and interest earned, to the designated institution(s) to which the gift was transferred on a pro rata basis.
